South Orange County Dyslexia Parent Support Group

Support. Encourage. Empower. Share.

You're Invited!

We are a group of parents coming together once a month to offer support, share ideas & resources, and empower each other as we experience the successes and challenges of raising a child with dyslexia, processing or learning differences.

This group is intended to be a safe place where we can freely share what we are going through with others who understand, or may have overcome a similar challenge and can offer insight or experience.

Judith Reising is our guest dyslexia specialist, who joins us to lend the support of her knowledge and expertise for those who may have questions.

This group is free- We only ask that you RSVP so we can assure chairs. (adult only event)
